Bulletin for the week of December 12, 2021 VOL 26/73 NO 49

Attention, Shoppers!

From Black Friday onward, the end of the year is full of so many shopping deals, discounts, and ads. People search for not just the right gift or what was asked but also for the best deal possible. In decades past, stores would be swarmed earlier in the mornings, people would wait in line for hours and sometimes not even get what they were looking for. I do not know whether it is just in works of fiction but many would love to hear the words, "Attention, shoppers, for the next hour every item is 20% off!"

I wonder what kind of panic would ensue as now someone could buy that item that seemed just too much. Some people find it pretty hard to say no to a good deal. Yet, inevitably what you'll probably hear in the stores that have people running around is an announcement about a clean up. Funnily enough, those two scenarios are very real spiritually as well.

There indeed was a mess, sin, that needed fixed permanently and it did not just cover a few people. Genesis 6:7 says, "So the Lord said, "I will blot out man whom I have created from the face of the land, man and animals and creeping things and birds of the heavens, for I am sorry that I have made them." Even the animals and other creatures were involved. Thankfully Christ came and paid our debts.

"by canceling the record of debt that stood against us with its legal demands. This he set aside, nailing it to the cross." (Colossians 2:14). We could not bridge the chasm sin creates between us and our Creator but not only was the cost paid, salvation was offered. In this time of shopping, let us not forget what has been done for us, and the fact that the greatest deal ever exists all the time! Will people react the to that news the same they would to what we talked about earlier?
