Church of Christ

From the Desk of
Ben Rominske, minister

Cost of living is a concept I heard a little when I was younger but I learned more about it in school as I got ready to live on my own. Often, I hear it brought up in comparison to different places in the country or even in other places like the U.S. compared to Canada. It is usually eye opening to hear the differences even here in the states. The cost of living goes much deeper than just money.

Life comes about now through birth. We can trace that back, as Luke does in his genealogy all the way to Adam. Genesis 2:7 says, “then the Lord God formed the man of dust from the ground and breathed into his nostrils the breath of life, and the man became a living creature.” While our creation as mankind certainly is important we are all too familiar with what occurred after. Romans 5:19 says, “For as by the one man's disobedience the many were made sinners, so by the one man's obedience the many will be made righteous.”

The true cost of our life is not simply physical but spiritual as well. We sing songs like “He Paid a Debt” “I am Mine No More” and “Jesus Paid It All” 1 Corinthians 6:19-20 says, “Or do you not know that your body is a temple of the Holy Spirit within you, whom you have from God? You are not your own, for you were bought with a price. So glorify God in your body.” Being thankful in prayer every day for our lives is just one part of how we are to live. Weekly we remember Christ’s sacrifice and the price that was paid. As we go through our lives be diligent to remember the cost that enables us to live liberated from sin’s death.
