SWELTERING HEAT

We all have our favorite seasons. Maybe you like the warmer months because of the temperature, lack of ice and snow or the longer days. Maybe you like the colder months because you can't stand the heat, you enjoy the changing colors of fall, and you love the winter holidays. Regardless of where any of us fall, we all know how horrible the heat can get. We have been very fortunate to have air conditioning in many places like homes, work, and cars—though that cool air in the summers can often get us spoiled.

Since sin entered into the world, we have been combating the problems of strenuous work and sweat: “By the sweat of your face you shall eat bread, till you return to the ground, for out of it you were taken; for you are dust, and to dust you shall return.” (Genesis 3:19) From ice cold water, to tea and lemonade all the way to Gatorade, we have sought many ways to quench our thirst and return what has been lost in the heat.

That thirst, a desire for our bodies to be replenished, is a physical response but reflects a spiritual one as well. John 4:13-14 says, “Jesus said to her, ‘Everyone who drinks of this water will be thirsty again, but whoever drinks of the water that I will give him will never be thirsty again. The water that I will give him will become in him a spring of water welling up to eternal life.’” There is a spiritual quenching that only comes from the One True Living God.

So as summer feels to be in full swing and you reach for a cold beverage to cool off or blast the AC to cool down, think of our Creator. The relief we seek in this life is only temporary. Christ alone offers the water of eternal life and the path to comfort forever more in heaven. A life serving Him is not only one well lived but will be well worth it even if we have discomfort this side of eternity.

WATTERSON TRAIL CHURCH OF CHRIST
