**RACE DAY**

From the desk of  
**Ben Rominske, minister**

It's that time of year again! Derby time. For droves of people, both local and afar, this is a very treasured and celebratory occasion. As someone who didn't grow up here, or around horses, nor around horses who raced, it can be hard to understand all the buzz. I can appreciate Thunder, I can appreciate the excitement, and I can appreciate the treasured history of what the race means to this city and the people of it.

I can also appreciate some of the wonderful storylines that come about whether it is the last minute underdog winning the race, the favorite who seemed to be out of contention making his way at the last minute, or many others. Yet, to me there will always be one storyline, all too true, that trumps anything else: The Story of Jesus.

Our Savior and God came to earth to die a shameful death on the cross. The Messiah whom many thought was going to reign physically did nothing of that sort. He died and seemed to fail for those three days after His death. Yet we know that was not the case, as unlikely as it sounds, since this was super natural, Jesus rose from the dead. In doing so He not only won, but triumphed over sin and death for all time!

It is with His redeeming blood, that perfect sacrifice that we each get to undertake our own race. Jesus gave us a path to victory. The choice is yours as to how you will run the race and if you will follow Him. I for one want to be able to speak as Paul did saying, "I have fought the good fight, I have finished the race, I have kept the faith." (2 Tim 4:7).
