The Little Things

From the desk of Ben Rominske, minister

Last week was not the best for me. It started out great on Sunday but the very busy week took an unenjoyable turn dealing with various issues like a migraine that really hampered my work. As I've gotten better and other things have occurred around the church building I've had some reflection.

We often can take for granted matters that are expected to be easier or straight forward but then complications arise. We had some quality of life improvements made this week on various technology. Our fellowship hall mics were installed with the intent to help those hard of hearing to hear more in classes and gatherings in that room. It also helps those who listen to Bible class on Sundays by zoom.

Another improvement we got was a fix to our printer not communicating properly with our computers. As we have been trying to figure out some weird internet matters, we had to print documents manually instead of through a computer. Now we have that back and it is so nice!

I'm reminded whether its health, technology, or other blessings it really is the little things that can make all the difference. "He put another parable before them, saying, "The kingdom of heaven is like a grain of mustard seed that a man took and sowed in his field. It is the smallest of all seeds, but when it has grown it is larger than all the garden plants and becomes a tree, so that the birds of the air come and make nests in its branches." Matthew 13:31-32
