APRIL SHOWERS AND MAY FLOWERS

What precarious precipitation we have plowed through this prior week! (I hope that was fun to read.) Sometimes this week it felt like we were living in a VBS song, "The rains came down and the floods came up." Let alone the onslaught of hail! We are only halfway through the month and I feel like we have had our fair share of wet weather.

With all the rain I was reminded of James 4:13 "Come now, you who say, 'Today or tomorrow we will go into such and such a town and spend a year there and trade and make a profit'" I thought I could wait for a nicer day to mow the lawn. It then rained for days on end. I was reminded that tomorrow isn't guaranteed so I ought to do what I can today and not put it off, especially when it comes to our souls!

This time of year also reminds me of Jesus's words in Matthew 6 where he talks about the birds and the lilies of the field. I am greeted every morning by birds chirping. Throughout to town I see beautiful blooms of trees and flowers. May this also be a note to us, from the beauty of the blossoms to the growth and live they embody. Each time we ear the birds chirp or see the flowers bloom we should member how Jesus said our heavenly Father will take care of us!
